**BUDGET MESSAGE**

The Middlesex County Board of Commissioners presents the proposed Middlesex County Operating and Capital Budgets for 2021, as well as the Capital Improvement Program for the years 2021 through 2026. The 2021 Budget has been prepared in accordance with the laws and administrative regulations of the State of New Jersey and reflects the continuing goals of the Middlesex County Board of Commissioners to maintain the very highest level of County services, while, at the same time, minimizing the property tax burden of County Government. This budget reflects the Board's focus on enhancing operational efficiencies and establishing a workforce commensurate with the programs and services offered by the County. This is being done to continue to achieve high quality services that are affordable to our taxpayers.

For 2021, salaries and wages are at an approximate 2.8% increase. Through operational efficiencies, achieved through new technology and organizational restructuring, the County has saved over \$50 million in salaries, wages and benefits since 2009, when the economic downturn took effect. These efficiencies and restructuring have also had an effect in operating expenses. In addition over the past 5 years M.C. has growing Capital As You Go Fund to a level of \$60,000,000.

**I. 2021 OPERATIONAL EFFICIENCIES**

2021 Budget appropriations total \$545,417,000. The Board of Commissioners and Middlesex County department heads have aggressively reduced the rate of growth of operating expenses and salaries and wages to ensure taxpayers receive quality programs and services at prices they can afford. The budget appropriations are offset by \$112,040,000 in non-tax revenue. The resulting 2021 County tax levy will be \$433,377,000.

**II. FINANCIAL STABILITY**

Middlesex County was once again awarded a AAA bond rating. We have increased retained surplus by 26%, or \$18,401,115 over the previous year and \$69,918,925 over the last ten years. This ensures that we can continue to complete critical projects at the lowest possible costs as part of our Capital Improvement Master Plan. We have fulfilled our commitment to increase our surplus fund, as well as reducing total debt service by \$4.4 million from 2020.

In 2014, Middlesex County became the first county in the State to authorize by Commissioners Resolution a Debt Policy and a Fund Balance Policy, which have resulted in an approximate reduction of \$265 million in debt since 2013. The goal of the Debt Policy is to maintain an overall level debt service pattern: as the County goes out for bonding, it will retire older debt. Whereas the Fund Balance Policy represents an available resource that can be used to meet working capital requirements, emergency expenditures and afford transition due to systematic changes in revenues and expenditures to ensure continued orderly functioning of government despite these financial changes. Middlesex County achieved a target fund balance of 17% of the previous year's operating expenditures. As part of the annual budget process, amounts in excess of the target that are used in the budget are considered "non-reoccurring" revenues and will be allocated or budgeted to, among other things, purchase capital assets with a useful life of five years or more, fund other reserves or provide direct tax relief. It will not be used to support increased operating expenses.

**III. EFFICIENCY AND PRODUCTIVITY**

The Board of Commissioners recognizes that reducing expenses alone is not enough to ensure a responsible budget, nor does it give a solid foundation for 2021 and beyond. To that end, the County continues to eliminate one-time, non-reoccurring revenue sources and replace them with stronger reoccurring shared service agreements. These agreements comprise 24% of the Special Items of Revenue, or over \$10,000,000, and build on the successful Shared Services initiatives with Gloucester, Mercer, Monmouth and Somerset counties. The Commissioners Board also has Shared Services agreements in place with its municipalities. Among them: The Health Aid Services and GIS Tax Mapping Services agreements. Such Shared Service agreements will serve to provide a cost savings to any participating municipality.

Middlesex County's solar panel field, a major component of its Sustainable Energy Master Plan, provides 100 percent of the power needs of the County's North Brunswick complex. It was built at no cost to the County, and has saved more than \$6.5 million in energy costs since being brought online in the spring of 2013. It is anticipated that the County will continue to save \$1 million in utility costs annually for the next 7 years.

We continue to reduce rising health care cost and raise the quality of life of our employees. We continue to provide our Employee Wellness Program, aimed at helping employees improve their health and wellbeing through smoking cessation programs, nutrition and exercise coaching and other lifestyle changes. Based on the performance of these types of programs within the private sector, the County anticipates a significant reduction in health care costs. The following is included in 2021 budget:

Employee Contributions	\$8,500,000
Employer Share	\$61,500,000
Total Benefit	\$70,000,000

As demonstrated, County policy requires employees to contribute toward employee health care benefits. This reduces these mandated costs by \$8,500,000, bringing the total employer cost of health benefit coverage from \$70,000,000 down to \$61,500,000.

Through its austere fiscal practices and policies, the County will continue to focus on ways to reduce its costs. Over the next 12 months, the Commissioners Board will monitor all programs to further its efforts to reduce the size and cost of county government, while ensuring citizens receive the quality services they need and deserve. The 2021 Middlesex County Operating and Capital Budgets should result in this County maintaining its excellent bond rating.

The amount allocated in the 2021 budget by the State's Property Tax Relief Program for the Division of Child Protection and Permanency is \$3,747,408 and is appropriated for accordingly in the 2021 budget.

The Division of Mental Health and Addiction Services (DMHAS) State Psychiatric Hospitals:  
 County Appropriation \$28,671,858                      County Revenue \$19,381,372

The Division of Mental Health and Addiction Services (DMHAS) Costs Patients in Rutgers University Behavioral Health Care (RUBHC):  
 County Appropriation \$441,054                      County Revenue \$308,738

Division of Developmental Disabilities (DDD) Costs:

**CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM**

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

**CAPITAL BUDGET**

- A plan for all capital expenditures for the current fiscal year.  
If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements.
- No bond ordinances are planned this year.

**CAPITAL IMPROVEMENT PROGRAM**

- A multi-year list of planned capital projects, including the current year.  
Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- years exceeding minimum time period.
- Check if county is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

**COUNTY OF MIDDLESEX
