

Thursday | December 16, 2021 | 10am

Did you know there is a broad category of **transferable skills** that travel with you across roles and even careers – things like social and communication skills, generalized technical skills, management skills, and so much more?

Learn how to perform a self-assessment to create an inventory of your own skills and improve your resume, cover letter, and ultimate interview pitch at the Middlesex County Office of Career Opportunity’s virtual “Transferable Skills” workshop on Thursday, Dec. 16 at 10 am!
