**CHECKLIST OF ITEMS REQUIRED FOR THE INSTALLATION OF MONITORING WELLS
WITHIN THE COUNTY ROW.**

License Agreement (Right of Entry) for the purpose of installing monitoring wells in the County of Middlesex ROW. The following information must be provided by the Environmental Consultant for purposes of preparing the License Agreement:

1. Name and address of the entity seeking the License -
2. Location (Address/property location) of the County right of way affected by installation of monitoring wells
3. Location/address of where the environmental investigation is to be performed -
4. The number of monitoring wells to be installed and the exact location of each -
5. The materials to be used for the well -
6. How the wells will be completed in order to avoid unauthorized persons from accessing the well. -
7. Who will be installing the well and the manner in which it will be installed -
8. Frequency of gauging and sampling of the well and the method used for gauging and sampling -
9. Disposal method of any waste generated during the installation of the well -

Topographic site Maps and GIS coordinates must be provided.
