

Southern Middlesex County Freight Movement Study

JOIN US FOR A PUBLIC MEETING!

Join us to provide your thoughts on the future of freight movement in Southern Middlesex County. We want your feedback on draft recommendations to mitigate the impacts of truck traffic on neighborhoods, based on analysis of truck data and concerns and ideas offered by impacted communities.

The draft recommendations are intended to safely manage freight movement in Southern Middlesex County while balancing the needs of all roadway users and local communities, and we welcome your feedback.

April 17, 2023
6pm – 8pm

Cranbury School
23 N. Main Street
Cranbury, NJ 08512
