METRO GATHERING MEGA EVENT

Greetings from New Jersey: A Postcard Journey

This Father's day weekend, join the world's largest treasure hunt! Geocaching is the original, reality-based treasure hunt using global positioning system (GPS). If you have a smartphone, you can geocache. Whether you are in the area seeking the numerous caches, interested in meeting new friends, or just need a place to unwind and relax, this is your opportunity. Enjoy everything else the Village has to offer including historical exhibits, living history interpreters, food trucks, and crafts.

Also be sure to check out the Liberty Baseball Club of New Brunswick taking on the Flemington Neshanock team in the annual Father's Day Vintage Baseball Game at Liberty Grounds Base Ball Field. The whole family can catch a doubleheader and see baseball the way it was played in the 1800s by using reproduction uniforms, equipment, and rules. Bring a blanket or a chair and cheer on the Liberty! It's fun for the whole family!

Saturday, June 17
10am - 4pm

East Jersey Old Town
1050 River Road
